than others.

TAKE THE CHALLENGE AND BECOME A QUANT AT HSBC!

Is this you?

- **3+ years of work experience / study towards a PhD / completed a PhD** in a quantitative discipline
- Passionate about **financial modelling** and **model review**
- Ability to **communicate complex ideas in English** in a clear manner

HSBC Service Delivery (Poland) Sp. z o.o. is pleased to invite you to the

2016 HSBC QUANT RECRUITMENT CHALLENGE

This is a recruitment event organised by **Independent Model Review (Credit Risk and Market Risk) Krakow team** at HSBC, one of the world's largest banking and financial services organisations.

To register please send an **email with your CV** and **"Quant Challenge"** in the message title to krakow.recruitment@hsbc.com by **7 July 2016**.

On 8 July, HSBC will send two case studies (one for Credit Risk and one for Market Risk) to the email address of registered applicants. Each applicant will have to complete **one** of the case studies and send their solution back by 23:59, 13 July 2016. Finalists will subsequently be invited to the HSBC office in Krakow, where they will make a presentation on a pre-specified topic and answer questions from a panel. Please note that the official language of the competition is English.

We thank all interested candidates for their applications. We reserve the right to contact only selected candidates. Only those applications that include the candidate's consent to process personal data by HSBC Service Delivery (Polska) Sp. z o.o., in accordance with the Data Protection Act as of 29 August 1997 (Journal of Acts of 2002, No 101, pos. 926 with later amendments) will be considered.
