

E-LEARNING COURSES

1. In the summer semester of academic year 2020/21 the following e-learning courses are available for students at University of Wrocław:
 - a) **Introduction to Bayesian Inference** (offered by Hasselt University)
Prerequisites: *Modele liniowe* + (*Statystyka* or *Teoria statystyki* or *Wnioskowanie statystyczne*)
2. In order to enroll in course (a) students from University of Wrocław need both:
 - a) Preregister **not later than February 12th (Friday)** at www.uhasselt.be/admission (details below). Preregistration is **not binding**, but **required** to follow courses at Hasselt University.
 - b) Register **not later than February 12th (Friday)** in Wrocław using **MS Forms**:
<https://forms.office.com/Pages/ResponsePage.aspx?id=-b5xKxM7MkS19B9awieNDLjzAPP4phpMtcTE0K7u9RpUOVZPQUtXVTBMV0IxRUFKUERTNEIYS0ZaNy4u>
3. Students can drop any e-learning course by **April 1st (Thursday)**. In order to drop the course students of Wrocław need **both**:
 - a) Deregister at Hasselt University (details below).
 - b) Deregister (using MS Forms) at Wrocław University.
4. Every e-learning course has on-line consultation sessions (Question and Answer sessions), see http://www.math.uni.wroc.pl/studia/plany_zajec/planZ.php. Attending the consultation sessions should be treated as **obligatory** for all the students enrolled in the course.

Pre-registration at Hasselt:

Students register for the *master of statistic and data science* at the website:

www.uhasselt.be/admission

Students need to do a minimal pre-registration and need to register for **the academic year 2021-22** (for technical reasons – the year will be corrected after registration) as an *interuniversity guest* and choose the programme *Interuniversity guest statistics (from abroad)*, fill out identity data (incl. address), secondary education (mark *Other* at *I obtained my secondary/high school diploma* and then fill out the data of the relevant institution) and then higher education (mark *Other* for *Region of education* and then fill out the current/last study); no uploads of documents are required. In case of any problems please contact: leen.jorissen@uhasselt.be

De-registration at Hasselt:

In order to drop the course at Hasselt, students need to deregister for that course. The student selects at the UHasselt homepage *Student*, selects the *My academic file* application, selects in the left menu *My programme* followed by *Unsubscribe study programme or course unit*. Then a personalized pdf will be generated, listing all currently subscribed courses of the student at UHasselt. The student marks the course(s) for which he/she want to unsubscribe, signs the form and sends a scanned version of the form by email to leen.jorissen@uhasselt.be
