

Registration for e-learning courses at Hasselt University:

Survival Analysis Bayesian Data Analysis Computer Intensive Methods

1. The students of University of Wroclaw need to **preregister for the master of statistic** at the website www.uhasselt.be/admission (see also attached manual). The students will only need to upload a scan of their ID card as part of the pre-registration, so no other documents are required. For questions on the pre-registration application, students can get in touch with admissionformaster@uhasselt.be. Student's pre-registrations need to be finalized by **Monday, October 8th, 23:59 !**
2. The University of Wroclaw will send the list of students enrolled for each of the courses by October 8th.
3. On October 9th the pre-registrations of the students of Wroclaw will be processed by the student secretariat.
4. The students of University of Wroclaw will receive an UHasselt email address, student login and password by October 10th. The student login will give them immediate access to the learning platform Blackboard, containing all learning materials (including weblectures) on the courses that the students have elected to follow at Hasselt.
