

Register as an interuniversity student

Step 1: Create an account

a) Go to <https://www.uhasselt.be/nl/info-voor/toekomstige-studenten>

b) Click on 'Schrijf je direct in' and then select 'As a new student'

c) Start your application (step 1)

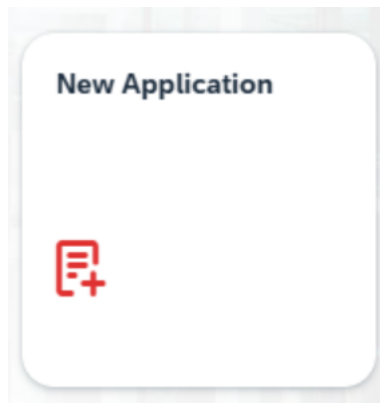

d) Create a new account

 Need help? Watch [this video](#) (only in Dutch) for further guidance during the registration process.

e) After activating your account, you will have access to the new student portal.

Step 2: Application

a) Click on the tile *New Application*

b) Complete your profile and select the correct interuniversity programme under 'Program of Study'.

Context of application: *

Program Type: *

Program of Study: *

Academic Year: *

Academic Session: *

C) Complete the application form via the menu on the left and submit your application.

Unable to submit your application? This means that not all required fields have been completed.

The missing fields are indicated by a red number in the tabs.

< Section	
Personal Details	2
Address	1
Previous Education	
Additional Information	1
Accession Agreement	1
Sharing Permissions	

d) Once your application has been processed (this may take a few days), you will receive an email with your final login details and an invitation to activate your account.

e) After activating your account, log in via the following [link](#) or through the link on the UH website:

Opleidingen

Step 3: Add an interuniversity course

a) Click on the tile 'Maintain Study Routes'

b) Creating your study plan consists of two parts: content and planning.

- *Content* = the courses you want to include.
- *Planning* = the courses you have selected that you want to take during this academic year.

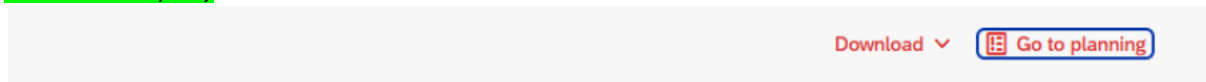

c) Under **Content**: you can add courses to your study plan by clicking the 'Edit' button.

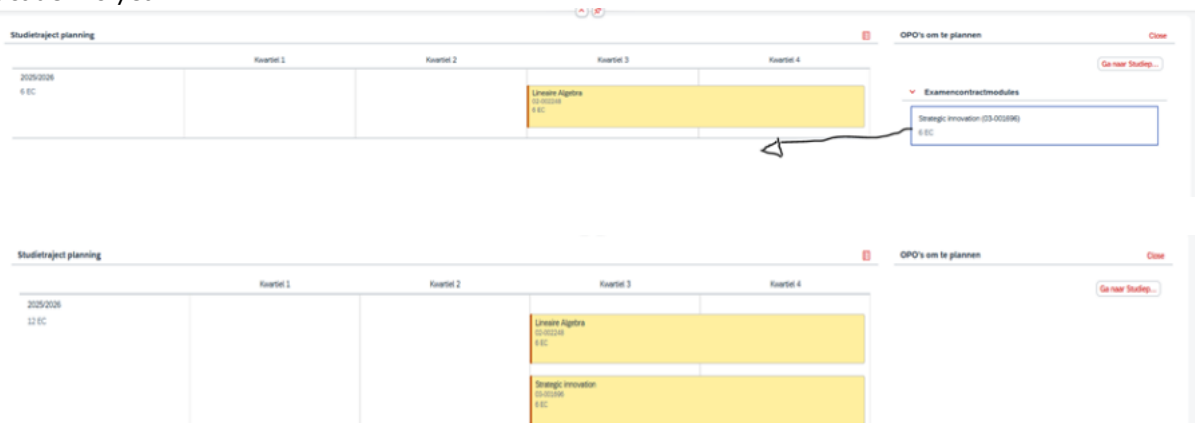

d) Select the course by clicking the 'Add Module's button.

e) Once you have selected your courses, click the 'Go to planning' button at the top right. (Do not click submit yet!)

f) Now drag the courses you actually want to take to the left, into the correct period of the academic year.

g) Then 'Go to Content'

Study Route Planning

Courses to be planned

Close
