

# Actuarial Analyst

Wrocław, Poland

We invent the new to help the world move forward. Combining powerful analytics and deeper insights with bigger ideas and innovative solutions, we free up our clients' potential, thereby fulfilling our own. Take it seriously. Make it fun. Know it matters.

## **MAXIMIZE** your opportunity

We are looking for an enthusiastic individual to join the Pricing and Analytics team at XL Catlin working in our Wrocław office. You would be supporting Actuaries in London, Zurich and the US, primarily producing actuarial analysis to be used by the underwriters pricing Casualty business across the Group. There may also be the opportunity to support Professional, Specialty and Energy/Property/Construction actuaries in their pricing analysis.

What will your essential responsibilities include?

- Collaborating with the Casualty Actuaries to influence pricing decisions through individual account pricing analysis
- Support strategic initiatives to improve the loss ratio
- Work with the Pricing Data team in Wrocław on projects to improve the quality of data that is used in our pricing analysis
- Regular reports on rate change and profitability metrics
- Adhoc projects to further our understanding of Casualty and improve the rating models used at XL Catlin

You will report to either the senior International Casualty Actuary based in London or the senior Global Risk Management Actuary in the US.

## **UNLEASH** your potential

We're looking for someone who has these abilities and skills:

- A mathematical, scientific or economics based degree
- Some actuarial experience or knowledge gained through either module(s) in degree or work experience
- Very good attention to detail

- Ability to effectively articulate complex information in a clear, concise, and insightful way
- Manage workloads across different projects effectively
- Enthusiasm to play your part in influencing what and how we charge our insureds
