

Analyst, Data Central Pricing & Analytics

Wroclaw, Lower Silesia, Poland

We invent the new to help the world move forward. Combining powerful analytics and deeper insights with bigger ideas and innovative solutions, we free up our clients' potential, thereby fulfilling our own. Take it seriously. Make it fun. Know it matters.

MAXIMIZE your opportunity

We are looking for an enthusiastic individual to join the Pricing and Analytics team at XL Catlin working in our Wroclaw office. You would be supporting Actuaries in London, primarily producing actuarial analysis to be used to support the Energy business but there may also be the opportunity to support other Global Lines actuaries in their pricing analysis.

What will your essential responsibilities include?

- Collaborating with the Actuaries to influence pricing decisions through individual account pricing analysis
- Support strategic initiatives to improve the loss ratio
- Work with the Pricing Data team in Wroclaw on projects to improve the quality of data that is used our pricing analysis
- Regular reports on rate change and profitability metrics
- Adhoc projects to further our understanding of Global Lines business and improve the rating models used at XL Catlin

UNLEASH your potential

We're looking for someone who has these abilities and skills:

- A mathematical, scientific or economics based degree
- Some actuarial experience or knowledge gained through either module(s) in degree or work experience
- Very good attention to detail
- Ability to effectively articulate complex information in a clear, concise, and insightful way
- Manage workloads across different projects effectively
- Enthusiasm to play your part in influencing what and how we charge our insureds

If you are interested in this offer, please send your application to the following e-mail: joanna.laszczuk@xcatlin.com

DISCOVER your future

XL Group plc (NYSE:XL), through its subsidiaries and under the XL Catlin brand, is a global insurance and reinsurance company providing property, casualty, professional, specialty and alternative capital products to industrial, commercial and professional firms, insurance companies and other enterprises across the world.

From insurance to reinsurance, we're shaking up an ancient industry. A changing world needs new answers. We're here to find them. With an incredible blend of people, products, services and technology, we're looking beyond traditional solutions to our clients' risks — from the most familiar to the most complex.
